CREATING A SENSE OF PLACE WITH ONTARIO WINES

Welcome to the special places where grapes are grown to make Ontario's wines of origin.

Travel east to **Prince Edward County** where its rich terroir is dominated by stony soils. Discover stunning wineries, renowned for their award-winning vintages, perfectly situated throughout the region.

Head west to the heart of Ontario's wine region which stretches across the southern part of the province. The temperate climate, diversity of glacial soils, and moderating lake effect of the **Niagara Peninsula, Lake Erie North Shore, and Pelee Island** have inspired generations of winemakers to translate their respective terroir into distinctive wines.

Explore Toronto and York Region, where you'll be surprised to find numerous wineries right in your own backyard! Tour wineries, enjoy tastings, purchase award-winning wines right on site, and enhance your trip with vibrant culinary experiences paired with many Ontario VQA wines.
